Candidate: Employee Representative for the Pension Fund at SR Technics Switzerland

Thomas Hitz

Mechanics /PEKO

Since September 1999. (In various roles)

Funktion: Methodologist in Shop Engineering (Main Line)
and, since 2016, a member of the SRT Personnel Committee

Ziel und Motivation
As a representative of the shop floor, I would like to participate and take on responsibility on the Foundation Board to ensure a solid pension fund for the benefit of our employees. With my many years of experience on an association board, a foundation board, and the PEKO, I have the necessary qualifications for constructive collaboration on the Foundation Board of the SRT Technics Switzerland Pension Fund. My goal is to offer our insured employees the best possible benefits for a worry-free retirement. It is an important issue for all of us, and I am happy to contribute to the well-being of the staff of SRT.
